FEELINGS FOLLOW BEHAVIOR:
YOUR KEY TO UNLOCKING NEW HABITS

Do you have it?

We are excited this year to have Mr. Williams, our Student Support Specialist (SSS) on our team! Mr. Williams is providing support for both Primary and Elementary Academies. We believe in supporting the whole child, and Mr. Williams will lead our initiatives involving Attendance/Tardies, the Solutions process, Restorative Practice (Classroom Support and Teacher/Student support), as well as Initial Referrals (Class A) after the Discipline Progression has been followed by the teacher

PBIS:

PBIS stands for positive behavior intervention support. This is our behavior support system here at DEPSA where students have rules, rewards, and consequences. When students follow all of their classroom procedures and school rules, teachers and staff may give them points on Class Dojo. When students earn enough points, they may get rewarded at the end of the month with class parties or other rewards for good behavior.

100 points: Attend PBIS party

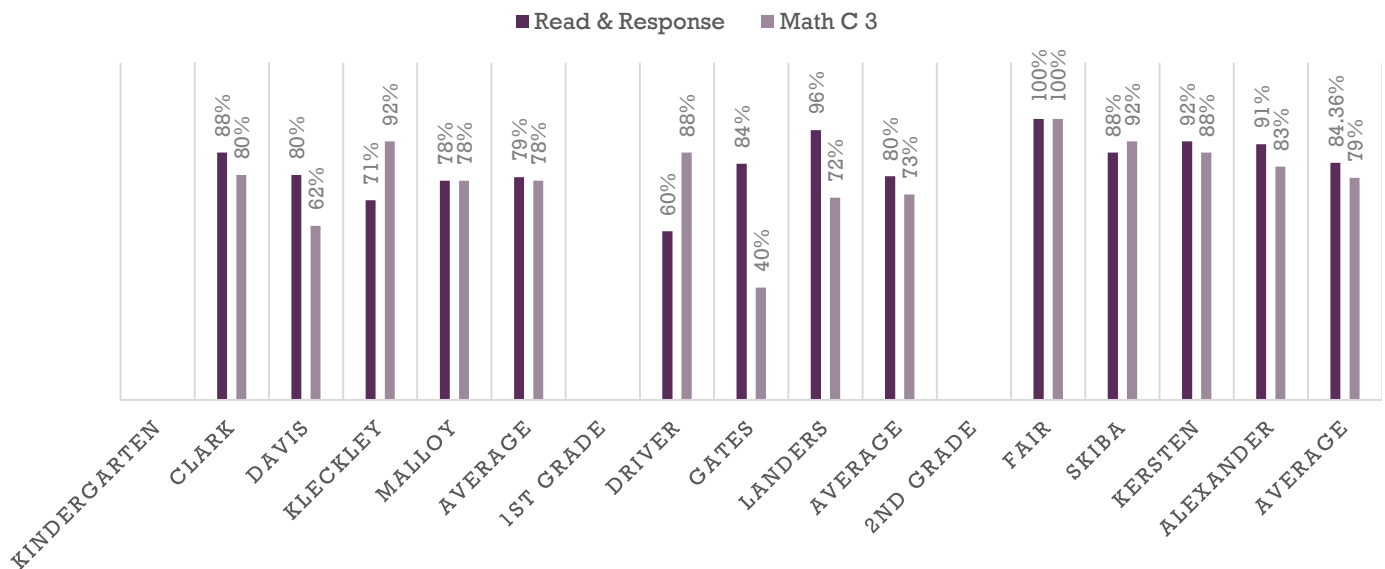

80 points: Free Dress

***First PBIS party, this Friday September 27!**

Read & Respond and C3 Homework

The expectation is for students to complete homework every night and to return every day for teacher feedback. Please make and take the time now to push students on expectations with quality of work and accountability with turning in every day. The goal is for each class to attain a 95% return rate on homework at the end of the week. C3s will start this week. Here are the results of last week's Read and Respond homework! **Way to go Mrs. Fair's class for getting 100%!!**

Dear Parent/Guardian:

The Wayne County Prosecutor's Office is encouraging all parents/guardians to have a conversation with your school-age children regarding an issue that has become all too prevalent, namely **threats to commit school violence**.

As periodic school shootings have become an unfortunate reality across the country, these incidents are naturally publicized in the news and social media. Experience has taught us that the publicity of these school shooting events often prompts a small subset of students to make similar type threats against their schools, teachers, and/or fellow classmates. In many of these cases, the student who made the threat tells investigators that they were "just joking" and seem genuinely shocked by how serious the consequences are for making the threat. Often they make the threat thinking that it is not a big deal as long as they did not plan to actually carry it out. Michigan law, however, makes it a crime to make a threat, **even if the person making the threat did not have the intent or the capability of actually carrying it out**.

When a threat is made we cannot immediately know whether the threat is a serious threat, or whether the threat is meant to be a so-called prank. Therefore, we in the law enforcement community **must take seriously every threat**, because to **not do so** would be to put your child at risk and the community at risk, and we simply cannot take that chance. My office takes these cases extremely seriously, not only because of the need to keep your child and the community safe, but also because of the disruption of the school environment and the significant expenditure of resources by the school and by law enforcement that even a "prank" threat causes.

Please talk with your children. Help them understand that their words can have lifelong consequences. Students can be charged criminally with crimes such as False Threat of Terrorism or Threat of Terrorism. Both of these charges are **felonies** that carry a sentence of up to 20 years in prison for an adult. It is worth noting that many seniors in high school are already 17 or older, which legally makes them an adult in the state of Michigan. In addition to the potential legal consequences, such charges may: affect a student's ability to get federal financial aid for college; cause them to lose college scholarships; cause them to be denied college admission; and result in them having to disclose pending cases or criminal convictions on job applications.

Thank you for taking the time to read this letter and for working with my office to keep your children and our community safe.

Sincerely,

Kym L. Worthy
Wayne County Prosecutor
