

SCHOOL PLEDGE

Right now, today, this very moment,
 I am capable of giving myself,
 the gift of absolute self-assurance,
 self-belief, and powerful non-stop confidence in myself.

I AM COLLEGE BOUND!

“TO THROUGH AND BEYOND COLLEGE”

Dear Parents:

As you all may know Governor Whitmer has ordered that students will not come back to school for the rest of the school year. However, she still wants our students to have an education, so we are very much still doing our online learning. Please make sure you are submitting assignments every Thursday! When you submit late, it delays the teacher in grading and adding feedback. We appreciate your patience and constant support as we adjust to our online learning profile. If you have any tech issues or questions, please email the highlighted email below. Thank you and have a great week!

NPFE Email:

Please contact support@npfeschools.zendesk.com if you are in the need of technology or your current technology is having issues and you need assistance!

Be healthy and safe,
 Primary Academy

EXTENDED LEARNING

New Paradigm For Education is dedicated and committed to provide continuity of services to all of our students and families. NPFE has created an Extended Learning Plan created with the various needs of our families in mind, specifically, the accessibility to electronic devices and the internet, continuity across grade levels, and the instruction aligned to the learning targets for each grade level. This plan affords each family the opportunity to obtain quality instruction with the appropriate support, both academically and emotionally. New Paradigm For Education values the relationships with students and families in our communities. As part of this support and to help pupils feel safe and valued, NPFE's extended learning plan was developed with the whole-child in mind and a commitment to the children we serve.

Grading for Quarter 3 & 4

As part of our school plan presented to the state, grades for Quarter 3 and 4 will be presented following 'No Harm' grading guidelines. Please review the following:

- As your child completes assignments on Google Classroom, they are receiving their grades and feedback from the teacher. Teachers are placing grades into PowerSchool for ELA and Math.
- When students receive their report card for quarter 3 and quarter 4, they will see the following instead of a letter grade:
 - **High Pass:** Student performance on assignments ranged in percentage from 100% - 80%
 - **Pass:** Student performance on assignments ranged in percentage from 79% - 60%
 - **Incomplete:** Students performance on assignments in percentage was 59% or below, or student was missing assignments.

BOOK of the week

In honor of Memorial Day, here are some fun things to do with family!

Parents/ Guardians in honor of Memorial Day this week, let's spend time with family. The governor has lifted some restrictions to the stay at home order to under ten people gathering. Go visit a family member you haven't seen in a few months and do some activities list in this article below. Enjoy your holiday!

The logo for MAP Skills features the word "map" in a lowercase, blue, sans-serif font with a slight shadow effect. To its right, the word "SKILLS" is written in a larger, uppercase, black, sans-serif font. The background of the logo is a blurred image of a person's face, suggesting a focus on students.

MAP Skills is a suite of web-based assessments that quickly and easily measure students' K–8 essential building block skills leading to college and career readiness. In Mathematics, Language Usage, and Vocabulary, MAP Skills measures K–8 skills. In Reading, MAP Skills measures grade 1-8 skills associated with comprehension, as well as reading comprehension at 8 levels of text complexity. It does not address K-2 emergent literacy skills such as fluency, decoding, or phonics. MAP Skills identifies which specific skills have been mastered, or still need work, and provides links to free instructional resources that the student can review on their own.

We will be starting Map Skills at home May 1, 2020 to give students additional practice in key areas for support. The teachers will be reaching out supplying parents and students their codes to log into Map Skills. Please ensure you are taking the time to utilize this additional practice for your student. Please reach out to your child teacher if you have any questions.

THE COOL KIDS

*Everyone in Primary is a cool kid this week!
Good Luck on ANET Testing next week loves!*

ARE YOU READY TO ENROLL?

Hello Parents/Guardians, if you know anyone that wants to go to DEPSA or if you have a student yourself that would love to join us. The 2020-2021 school year applications are ready!

Pandemic EBT Program

Families with children who received free or reduced-cost lunches at school qualify for new program

The Pandemic Electronic Benefit Transfer Program (P-EBT) provides temporary funding to address emergency food needs for families affected by the pandemic.

P-EBT food assistance benefits will go to Michigan families with students ages 5-18 that are eligible for free or reduced-price school meals. This includes families currently receiving Food Assistance Program benefits, as well as those not currently enrolled in the program. No application is necessary for eligible families to receive P-EBT benefits.

Families currently receiving Food Assistance Program (FAP) benefits will receive additional benefits on their Bridge Card:

Eligible families currently receiving food assistance benefits will be issued additional benefits directly on their Bridge Card. These additional food assistance benefits can be used the same way as families would typically use their Bridge Card to purchase food items. P-EBT benefits can also be used to participate in the Double Up Food Bucks program.

- **March and April combined benefits:** \$193.80 per eligible student will be loaded on the family's Bridge Card by the end of April.
- **May and June combined benefits:** \$182.40 per eligible student will be loaded on the family's Bridge Card on a later date. Issuance schedule for these benefits still to be announced.

Families not currently receiving Food Assistance Program (FAP) benefits will receive an EBT card in the mail:

Eligible families not currently receiving food assistance benefits will receive in the mail a pre-loaded Electronic Benefits Transaction (EBT) card issued under the name of the oldest student in the household. Benefits for all eligible school-aged children in the home will be loaded onto this one EBT card. Prior to receiving the card, families will get a letter from MDHHS describing how to use their EBT card, how to set up their PIN, and other information about food assistance benefits. This EBT card can be used to purchase food items only, in-person, at any SNAP retailer. The P-EBT card may look different from the Bridge Card, but the card and benefits can be used the same way as the Bridge Card.

- **March and April combined benefits:** Families will receive an EBT card in the mail **by the end of the first week in May**. The card will come pre-loaded with **\$193.80 per eligible student**.
- **May and June combined benefits:** \$182.40 per eligible student will be loaded on the family's EBT card on a later date. Issuance schedule for these benefits still to be announced.
